BOOK DAVID KATZ.

GLOBAL KEYNOTE SPEAKER
FOUNDER & CEO OF PLASTIC BANK

2.2M+ TED VIEWS | GLOBAL ENTREPRENEUR ENVIRONMENTAL & SOCIAL IMPACT LEADER

Ideas can change the world. David Katz has spent more than a decade proving it. As Founder and CEO of Plastic Bank, David turned a bold idea into a global social enterprise connecting environmental action with income opportunities for communities.

On stage, David shares candid stories, unexpected ideas and lessons from building impact at scale. His talks challenge audiences to rethink value, business, prosperity and what becomes possible when we stop accepting old systems as fixed.

David has spoken at TED, Goldman Sachs, ChangeNOW Summit, SXSW, Deutsche Telekom and Plastics Europe. His work has been featured by BBC, CNN, TIME, Forbes, Fast Company and National Geographic.

POPULAR SPEAKING TOPICS:

PROSPERITY THROUGH PURPOSE
How business can create value for people, communities and the planet.

THE SURPRISING SOLUTION TO PLASTIC POLLUTION
What more than a decade of building Plastic Bank has taught David about turning environmental challenges into opportunity.

IMPERFECT ENTREPRENEURSHIP
Why meaningful change does not require perfect answers. It requires the courage to begin, learn and build.

RETHINKING VALUE
What happens when we change the way we see waste, resources and human potential.

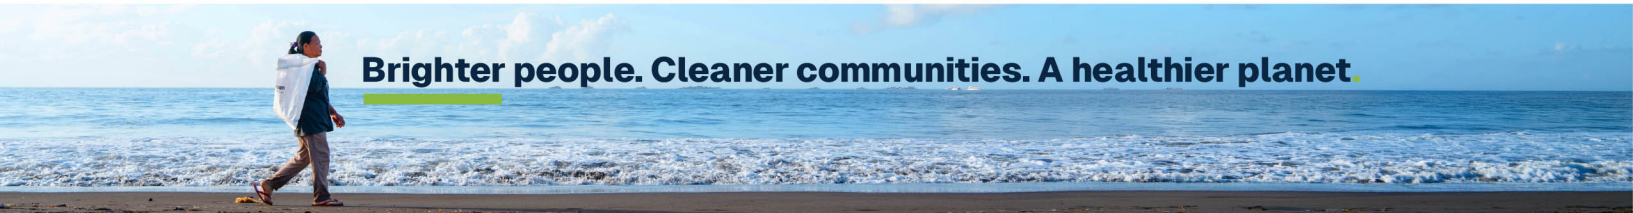

BUSINESS AS A FORCE FOR GOOD
Practical lessons from building and scaling a purpose-led global enterprise.
